Match day rules

- 1) in the event of a tie at full time, the result will be decided by most tries scored, then by most converted-tries scored, then by fewest cards (if any), then by the team that scored the first try.
- 2) No under 35s at all. No more than five under-40s from one team on the pitch at any one time.
- 3) If a match needs to lapse to uncontested scrums, the offending team loses a player.

Changing Rooms will be available from 13:00 onwards. Please do not leave anything valuable in any changing rooms. Earlier teams may wish to remove their clothes/kit bags from the changing rooms after getting changed.

Its always good to see teams in "themed" outfits in the bar(s) after the matches. Adds to the gaiety of the occasion.

Changing Room 1	Charlton Park followed by Old Gravesendians
Changing Room 2	Gillingham Anchs followed by Sevenoaks
Changing Room 3	Vigo followed by Thanet
Changing Room 4	Whitstable followed by Westcombe Park

After the matches, please vacate the pitch as quickly as possible so that the next game can start. Presentations to the winners will take place near the Scoreboard, in front of the Spitfire Gold banner.

Teams should provide their own physio support. FYI there is a defibrillator in the club-house.

Shepherd Neame usually provide some packs of Spitfire Gold to be distributed to teams and referees – to be collected and taken away when leaving the premises please.

Good luck to all participants.
