Invicta League

Dover 2nd XV XV 33 v Mustangs XV 20

Played at The Crabble, Saturday 12th October, 2013

Mustangs Coach Richard Weston felt this was the toughest opposition the side had faced this season as injuries and unavailability saw a depleted team travel to Dover. Despite an early lead through a Brad Ford penalty it was two converted Dover tries that gave them the early advantage, another Ford penalty closed the gap before Dover crossed again just before the interval to take a 21-6 lead into half-time. Two further Dover scores after the break extended their lead before Steve McNamara crossed to reduce the deficit with Ford adding the extras. The Mustangs continued to apply pressure until the final whistle and were rewarded for their efforts with Sam Weston try converted by Ford in the closing minutes
